## **6. NORTH LINCOLNSHIRE COUNCIL MATTERS**

- i) To receive report from Cllr D Oldfield: Cllr Oldfield reported that the new football stadium is anticipated in March 2017. The Burringham by-pass appears to have been put on the backburner at the present moment in time. Flooding has been very much in the news recently and it is hoped that the flood protection provided in North Lincolnshire after the last floods will prove adequate. Guinness and Burringham PC's are funding coaches for a day trip to to Bridlington to which Ashby Parkland are invited to participate in.
- ii) New matters to report: No new matters to report.

## **7. LOCAL or SITE MATTERS.**

- i) NATS meeting – There is a new Inspector at Scunthorpe – Tim Harvey. There appears to be slightly better patrols from The Police in the area. Residents are encouraged to ring 101 to report any non-urgent matters.
- ii) Parish Bus Service – The parish councils request will be considered at the end of March.
- iii) Portacabin – Interest was expressed in having this portacabin for parish/community use but unfortunately there is nowhere to site/locate a cabin and therefore it is not possible to proceed with this.
- iv) New matters: Flytipping is occurring at the empty property at the end of farmers lane – Cllr Oldfield will report this matter to N.L.C neighbourhoods team.

Cllr's Holloway and Vessey thought that cctv coverage would act as a deterrent and Cllr lamb suggested that if anyone was keen to progress having further cctv coverage they should progress this matter with the neighbourhood watch team. It was reported that safer neighbourhoods team do have some community camera's available but they are predominantly used in areas with considerable problems and would need to be mounted on N.L.C owned property.
