6. NORTH LINCOLNSHIRE COUNCIL MATTERS

- i) To receive report from Cllr D Oldfield- It was reported that the LED energy efficient street light programme is being rolled out. Work is continuing to mend all the pot holes. All Parish Councils in Cllr Oldfield's ward have received their North Lincs in Bloom grant money. Cllr Vessey asked Cllr Oldfield why The Mallard Public House has been renamed. The meeting felt it was due to re-branding.
- ii) North Lincolnshire In Bloom – Funding for this initiative has been received. Cllr Vessey is to seek permission for the planting of daffodil bulbs on and around the Ashfield Park home site.
- iii) Parish Paths Partnership Scheme – to give consideration to working with neighbouring parishes regarding the maintenance of the public footpaths and to agree a councillor to represent Ashby Parkland Parish Council if a subgroup was formed.

Ashby Parkland has a short length of public footpath within the parish – which joins a public footpath in Gunness parish. It was suggested by Dave Sanderson – public rights of way officer for N.L.C – that the two parishes work together to maintain this public footpath. Gunness have yet to receive the information relating to the parish paths scheme for this footpath and have therefore not yet discussed the implications of maintaining this path. Ashby Parkland parish council agreed in principal to work with Gunness PC on the maintenance of this path but will wait to make a final decision when all the details about this scheme are known.

- iv) New matters to report: No new matters to report.

7. LOCAL or SITE MATTERS.

- i) NATS meeting – The most recent NATS meeting welcomed the stadium manager of Scunthorpe football club to discuss the parking problems which occur on match days.

An ONGO housing officer also attended the meeting.

- ii) New matters: The new bus shelter and double notice board on Parklands are really good – just need to encourage all residents to stop and read the notices posted.

It has been noted that vehicles are driving onto Ashfield Park – signs may be put up to discourage people driving onto the site.
