2018/19 - 09

## 7. NORTH LINCOLNSHIRE COUNCIL MATTERS

- i) To receive report from Cllr D Oldfield- Cllr Oldfield expressed his concerns regarding the amended planning application 2017/1386. The North Lincolnshire local plan is currently being updated and this plan will have an impact on future planning applications. The Civic Centre will become an education establishment creating 1500 university level places associated with Lindsey College and the University of Lincoln. Cllr Oldfield advised the meeting of the safe and sound funding – available for all home owners above the age of 70yrs.
- ii) New matters to report: No new matters to report.

## 8. LOCAL or SITE MATTERS.

- i) NATS meeting – The most recent meeting was held at Guinness with shop thefts now removed as a priority and match day parking and traffic speed through Burringham being prioritised.
- ii) Planting of bulbs – the bulbs have been planted.
- iii) New matters: no new matters to report.

## 9. PLANNING

- a) Application PA/2017/1386 – Planning permission for highway works to deliver a new terminating junction to the M181 motorway comprising a new at-grade roundabout to access the B1450 Burringham Road from the M181, new B1450 side roads and realignment of the existing B1450, two new additional roundabouts on the realigned B1450, drainage ponds and outfalls, landscaping and associated re-profiling and ancillary works – amended plans to use existing B1450 overbridge as NMU route – Lincolnshire lakes, M181/B1450 Burringham Road, Burringham. **IT WAS RESOLVED to OBJECT** to this planning application stating that that increased traffic generation, in particular, increased HGV traffic, would have an adverse impact on the existing residential properties. A southern loop road to circulate the golf course should be a condition of planning as this would alleviate some of the traffic concerns associated with this planning application.
- b) Application PA/2018/2186 - Outline planning permission for 36 dwellings including new access road and adoptable sewage pumping station – Woods along Scotter Road, Scunthorpe. **IT WAS RESOLVED to OBJECT** to this planning application stating that increased traffic generation would have an adverse impact on residential properties and the loss of woodland would also have a detrimental environmental and wildlife impact.

2018/19 - 10
