Cllr Walshe feels that there will be considerable traffic implications of starting this development before the infrastructure is in place for the Lincolnshire Lakes development. Cllr Walshe feels the traffic generation issues in this area will be considerable and will raise high way safety concerns. Cllr Walshe advised that N.L.C have secured £50m Government funding for Scunthorpe town centre and Ashby regeneration. If any one has any views on how the town centre/Ashby should benefit please give Cllr Walshe your views by February 2020.

7. Local or Site Matters

- i) NATS meeting – PC S Pearson has been appointed as the Police Officer for this ward. An update on crime statistics was provided at the NATS meeting and concern raised regarding speeding vehicles.
- ii) Any new local or site matters to report: It was reported that children/youths are throwing stones at cars on Parklands. The meeting was reminded that all incidents must be reported on the 101 number so that every incident is logged and this helps to build a true picture of the problems being experienced in certain areas.

The clerk was asked to write to the drainage board to ask them to cut back the Willow trees which are encroaching on to a property boundary fence on Ashfield Park. These trees are situated on the south side of the Riddings lagoon. The lagoon is accessed through Parklands.

It was noted that the bus service for Parklands has remained in tact – many areas have seen their bus service reduced.

Cllr Oldfield described the taxi voucher scheme run by Gunness Parish Council which helps vulnerable and needy residents with their transport needs. Gunness Parish Council financially provide this service. Cllr Oldfield suggested that grant funding is available for this type of scheme.

Cllr Devine advised the meeting that she is organising a neighbourhood watch scheme to try and establish what residents would like from this scheme – meeting arranged for Thursday 28th November – 1pm.
