- ii) Any new N.L.C matters to report- Cllr Walshe provided the following report by email:
  - The ‘Just Go’ bus promotion/road show will take place on the Parkland site on 20<sup>th</sup> November 2021 at 10.00am.
  - Work is progressing well with the second roundabout, a contractor is currently being secured and plan is being created for what road closures may be necessary whilst this work is taking place.
  - Booster jab rollout is still happening – if you are eligible for a booster jab you can go to any of the drop in centre’s.
  - Cllr Walshe with N.L.C is undertaking a binventory which maps all the bins in the ward – Cllr Walshe has asked if the parish council has any requests/comments on locations where new bins might be beneficial.  
Cllr’s felt a dual purpose bin on Burringham Road might be beneficial along with the previously requested salt bins on the new estate – Woodside Drive and perhaps a dual purpose – litter/dog bin on this estate as well. Clerk to send these requests to Cllr Walshe.

**8. Parish Matters**

- a) NATS meeting – The NATS meeting was held ‘face to face’ and a discussion took place regarding Burringham by-pass, traffic flows and future traffic issues. It was noted that communicating these meetings has been problematic with emails not coming through – it is hoped the NATS team will rectify these communication problems.
- b) Social event for residents of the parish to be held at the golf club – 114 tickets have been sold. The catering and entertainment is organized and provision for payment for this function in December has been agreed.
- c) Ashfield Park Residents Association and Neighborhood Watch Scheme – Cllr Holloway advised the meeting that the new owners of Ashfield Park – Ting Dene Parks have recognized the Residents Association and are happy to work with this group. A volunteer has come forward to be the Neighborhood Watch coordinator and Callum from the Safer Neighborhood team is helping to set up the group. Unfortunately Ashfield park is seen as a low crime area – this is because residents are not reporting crimes committed. The safer neighborhood team have been asked if there is anything that could be done to encourage residents to report crimes – still awaiting advice on this matter.  
Cllr Holloway has emailed Ting Dene Parks to ask if they will consider providing a community meeting room on site – as they appear to provide such a facility at other sites. A response from Ting Dene Parks has not yet been received.
- d) Any new local or site matters – Silt and mud has built up on the side of the road/curbside along Burringham Road – this is causing the drains to block – clerk to ask for the road to be cleaned.
