7. North Lincolnshire council matters:

- i) Report from Ward Councillor J Walshe : Humberside Police have taken delivery of 4 off road motorbikes which will help to control the crimes being committed using off road vehicles. Officers are currently undergoing training and these vehicles will soon be operational.

The construction of the southern roundabout will commence in September/October. All residents over the age of 75yrs should have received their latest covid booster vaccination. All the £150 council tax rebates should now have been paid to residents. Cllr Oldfield asked about the construction of the northern roundabout going towards Scotter Road, Cllr Walshe indicated that the construction of this roundabout would commence shortly.

- ii) Any new N.L.C matters to report: A discussion took place regarding a black camera located on a lamp post just outside the Ashfield entrance – it was felt this camera could be a auto number plate recognition camera.

8. Parish Matters

- a) NATS meeting – The next NATS meeting is scheduled for 5/9/22.
- b) Ashfield Park Residents Association and Neighborhood Watch Scheme – see minute 6(d).
- c) Summer Coach trips: The trip to Skegness took place on 19/7/22 and the trip to Bridlington is scheduled for 19/7/22. Gratitude was extended to Sandra, a local resident, who has helped organise these trips. Unfortunately two days before the Skegness trip, 10 cancellations were received but at this stage it was too late to fill these seats. A discussion took place regarding the arrangements for payment of the coaches for these trips and it was confirmed that Hornsby's (the bus company) will invoice the clerk directly for payment for the coaches.
- d) Notice Boards – The clerk has nearly completed the grant application form for a grant for a notice board. Three policies required by N.L.C were presented to the council for approval and adoption. The grant application will be submitted as soon as possible after this meeting.
- e) Any new local or site matters: The problem of burning rubbish/tyres within the parish was raised again and it was noted that this problem has been reported to environmental health at N.L.C and the environment agency. Cllr Walshe agreed to look into this and raise it with the relevant departments. This area of land is now being used as a motorbike track and residents are suffering from the constant noise of these bikes. Clerk to report these problems to the environmental health team at N.L.C.
