A letter explaining how this will work will be sent to all residents shortly. Cllr Walshe has sent this letter to the clerk who will circulate with the minutes.

The Police 'Off Road' motorcycle team are now operational and hopefully this will lead to arrests and seizure of motorbikes being ridden illegally.

North Lincolnshire Council have purchased a new pot hole machine which should do a quicker and better job of mending the potholes in the road.

ii) Any new N.L.C matters to report: Cllr Holloway reported that silt/soil/weeds and grass growth is still evident in the road gulley's along Burringham Road – past the Hospice. This is blocking the storm water drains and they urgently need clearing as the drains are not functional. Cllr Walshe will report this to N.L.C and request works as a matter of urgency.

8. Parish Matters

- a) NATS meeting – The problem motorbikes were discussed at this NATS meeting.
- b) Ashfield Park Residents Association and Neighborhood Watch Scheme – Cllr Holloway reported that the Residents Association was 1 year old and both the association and the neighborhood watch scheme appear to be going well. The Ashfield Park Residents Association are planning a xmas party at Lodgemoor and have asked if the parish council might provide a donation towards this party. The meeting agreed that the parish council can support this event and it will be an agenda item at the next pc meeting to formally agree and approve.
The Ashfield Park Residents Association are also planning to form a gardening club and are hoping to get some land on which to form a garden. It was also suggested that planters/tubs could be purchased with help from the winter and spring in bloom grants. Details of these grants should be available shortly and the clerk asked councilors to bring to their next meeting ideas to submit an application for this grant.
- c) Summer Coach trips: Both trips were successful – clerk still waiting for the invoice for the second trip from Hornsby's. The company will be contacted and asked to send an invoice to the clerk as soon as possible.
- d) Rubbish burning in the parish – Cllr Walshe advised the meeting that a notice has been served on the resident causing the pollution. There is also a problem with noise pollution from motorbikes in this area – Cllr Walshe will report this matter.
