- Hedge – Ashfield to Lindsey lodge – this hedge still needs cutting back. N.L.C have indicated that they will scrap back to widen the footpath in due course.

5. **PLANNING -** Opportunity for one person from each side to state within 3 minutes objection/support of contested applications.

a) Application PA/2023/1124 – Planning permission for the development of 599 dwellings and lake, along with associated infrastructure, including landscaping, public open space and play area, pedestrian and cycle links, pumping station and sub station – Lincolnshire lakes, Land east of M181 and north of Burringham Road, Scunthorpe.

IT WAS RESOLVED to report **NO OBJECTIONS** to this planning application but to request that the S106 funding derived from this development supports a community hub/room/hall within Ashby Parkland parish..

The parish council would prefer that the developers provide a purpose built community hall within the development but at the very least provide a piece of land and sufficient funding to construct a community building.
