The Southern roundabout has now been constructed and is functional, work on the associated connections will commence in 4/6 months.
- b) Surface Water problem – Woodside Drive : N.L.C drainage team and representatives of Persimmon Homes have inspected, acknowledged that the drains and fall are in the wrong place, areas have been marked up for remedial works.
- c) Dyke – Pond to Scotter Road pumping station – discussions are still ongoing as to who has responsibility for this dyke – N.L.C or I.D B.
- b) Any new N.L.C matters to report: A hedge is encroaching the pavement towards Silica Lodge, Cllr Walshe will ask the farmer to cut this hedge back.

8. Parish Matters

- a) NATS meeting – The NATS meeting was held on 17th June in Gunness Village hall at 5.30pm. Unfortunately The Police could not attend this meeting due to attending to another matter however no matters affecting this parish were raised. The date and venue for the next meeting has yet to be decided.
- b) Neighbourhood Watch Schemes : It was reported that the Parklands and Ashfield neighbourhood watch schemes have amalgamated and will work together in the future. Social events are currently being discussed.
- c) Burringham Road (Part of the Lincolnshire Lakes development) – development by Keepmoat Homes – to consider the list of proposed road names supplied – The meeting felt that, in principal, an association with water/lakes etc was a suitable idea however some of the names supplied/suggested were not very appealing. The meeting felt a local connection would be more suitable with Lincolnshire lakes/ rivers/ water courses used for road names. Clerk to relay this to N.L.C.
- d) V E Day celebration : This was a great success, well organized and attended, further events are planned and will be considered by the parish council for funding if the parish budget allows.
- e) Coach Trip – The coach trip took place on 2nd June 2025 and was successful.
- f) Any new local or site matters: No new matters raised.
